QUALITY First in Drug Buying

Our First Consideration in Buying Goods.

As drugs and medicines are for promoting health—sometimes  
for saving life—we believe it should be everybody's first con-  
sideration. No one can undersell us on goods of worthy qual-  
ity. In fact, our prices for highest quality are often lower than  
many dealers ask for inferior quality.

Compare Our Goods. Compare Our Prices.

Pale-Faced Women

You ladies, who have pale faces, sallow complexions,  
dark circles under eyes, drawn features and tired, worn-  
out expressions, you need a tonic.

The tonic you need is Cardui, the woman's tonic.  
It is the best tonic for women, because its ingredients  
are specifically adapted for women's needs. They act on  
the womanly organs and help to give needed strength and  
vitality to the worn-out womanly frame.

Cardui is a vegetable medicine. It contains no min-  
erals, no iron, no potassium, no lime, no glycerin, no dan-  
gerous, or habit-forming drugs of any kind.

It is perfectly harmless and safe, for young and old to use.

## HAPPY RESULTS

Have Made Many Maysville Residents Enthusiastic

No wonder scores of Maysville citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Maysville by Doan's Kidney Pills.

Mrs. Della Means, 328 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case, the first symptom being sharp pains through my kidneys, accompanied by a hearing-down feeling across my hips and loins. Dull, miserable headaches were also common and I often became so dizzy that if I did not catch hold of something I would fall. I continued to grow worse, and I was often confined to my bed for a week at a time. No remedy I tried helped me, and I began to have symptoms of dropsy. There was an almost complete retention of the kidney secretions and my body became bloated. I had about despaired of ever being cured, when I read of a person who had been rid of a similar trouble by Doan's Kidney Pills. Deciding to try them, I procured a supply at J. J. Wood & Son's Drugstore, and obtained so much relief from the use of the first box that I continued taking this remedy until I was entirely cured. I have no hesitation in saying that Doan's Kidney Pills saved my life."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Mrs. J. R. Donohue of West Second street, who has been quite ill, is improving.

Mr. Al Hauke of Forest avenue, who has been an invalid for years, is reported much worse.

Miss Rose Elder of East Fifth street has accepted a position as clerk at Hunt's dry-goods store.

## Danderine

Grows Hair and we can PROVE IT!

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes in substance, "When I began using Danderine my hair would not come to my shoulders and now it's away below my hips."

Another from Newark, N. J. "I have been using Danderine regularly. When first started to use it I had very little hair, now I have the most beautiful long and thick hair anyone would want to have."

NOW at all druggists in three sizes 25c, 50c and \$1.00 per bottle

Danderine enjoys a greater sale than any other one preparation, regardless of kind or brand, and it has a much greater sale than all of the other hair preparations in the world combined.

FREE To show how quickly Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the KNOWLTON DANDERINE CO., CHICAGO, ILL., with their name and address and 10c in silver or stamps to pay postage.

## GLORY BE!

### And Then Hurray! The Esplanade Fountain to Remain and New Shade Trees Will Adorn the Square

The following statement from Chairman Clooney of the Internal Improvement Committee is self-explanatory and THE PUBLIC LEDGER is glad to give it prominence at top of column next to reading matter:

"Replying to your criticism of a few days ago relative to the disposition of the Esplanade, we regret your failure to investigate prior to your publication, as you would not have entertained the idea that we were acting arbitrary in the matter.

"The plan as originally outlined by your paper has not been changed, that is, that the fountain is to remain in its present position and two trees are to be planted on either side of Esplanade as it originally stood, raised concrete curbs 10 inches high, 10 feet in diameter for each tree. Also suitable curbing for fountain.

"We had hoped to be able to retain the shade tree that was on the Esplanade until such time as the new trees would be of sufficient size to remove the old one, but on removing the concrete it was found that the tree had been planted on top of the brick flooring of the old Market House and the roots spread out between the concrete top and flooring, and it was necessary to remove these roots that

were on top of the ground, which of course killed the tree. Our aim has at all times been to serve the best interests of all the people. Respectfully  
A. CLOONEY,  
Chairman Internal Improvement Committee."

**Congressman J. B. Bennett Was Renominated Yesterday—Magnificent Gathering of Representative Republicans**

**Governor Cox Chairman, While Langley, Hughes, Franks, Pugh and Others Make Eloquent Addresses**

Beginning at 10:30 yesterday morning and ending up at 3:40 p. m., with a continuous program of music, oratory and harmony, the Republicans of the Ninth District never appeared in better form, and all went away from the Opera-house declaring that the convention which nominated Congressman Bennett for his fourth term was one of the biggest, best organized and most interesting party gatherings ever held in Maysville or the District.

Although disappointed at the non-appearance of Senator Bradley, who was down on the promised program for one of his telling speeches, nevertheless, the big audience was

delighted for four hours with several of the most effective Republican addresses which it has been their pleasure to listen to.

The morning session was opened with music of the most musical kind, furnished by Ashland's splendid band, while the band which came down with the Nicholas delegation upheld its reputation and was entitled to much praise.

The twenty minutes speech of Congressman John W. Langley of the Tenth Kentucky District sustained that gentleman's reputation as one of the most convincing and eloquent orators now in the National House. Congressman J. A. Hughes of West Virginia was present and did effective service in presenting the great party issues in a most pleasing manner.

The speech of the day, however, was delivered by Hon. E. T. Franks, formerly Collector at Owensboro, who spoke for one hour and thirty-five minutes. As a Tariff exponent Mr. Franks has few equals, and it is safe to say that his hearers yesterday left Washington Opera-house with a pretty lucid understanding why the Republican Protection policy has made the United States the greatest haven of labor in the world and that all the Democratic twaddle and palaver over the "robber Tariff" is fifteen-sixteenths rot and the other sixteenth is bor.

Mr. Franks' speech is one of the most effective campaign documents that could possibly be disseminated in the interest of Protection and the Republican party. The LEADER only regrets that it cannot even give a resume of all the solid facts presented by this pleasing speaker, who, having the past eighteen years of the history of the country as his text, proved to all worth convincing that Republican Protection has been the bulwark of every thriving American industry. The speech entire is printed in last evening's Lexington Leader, and it will pay any one to read and study his remarks.

After the close of the feast of oratory at 3 o'clock, and after Acting Chairman John D. Littlejohn had called the big meeting to order and announced its purpose, Judge Howard McCartney of Flemingsburg was elected Temporary Chairman and Editor B. F. Forgey of Ashland was elected Secretary.

Hon. Robert Buckler then appeared and introduced Lieutenant-Governor W. H. Cox, who was unanimously elected Chairman of the Convention. As there was no opposition to Judge Bennett, as the roll of the counties was called, Hon. S. J. Pugh of Lewis, in a fifteen minutes' speech, nominated Mr. Bennett as the standard-bearer of the Ninth District Republicans. Hon. J. L. Wilhoit of Boyd county then followed, and in a telling address seconded the nomination of Mr. Bennett. On motion, Chairman Cox put the question and Bennett was nominated by acclamation.

Congressman Bennett was apprised of his nomination and escorted to the stage by a committee. He spoke for twenty minutes, dwelling on the effective work of the past session of Congress and the many blessings resulting to the whole people through the operations of the Payne Tariff Law, etc. Judge Bennett was, of course, much elated over the fourth Congressional honor tendered him by his constituents of this District, and, after promising to serve all the people on the square-deal plan and thanking the Convention for the honor, the meeting adjourned with a rattling air from the Ashland Band.

Following is the report of the Committee on Resolutions as adopted by the Convention:

To the Chairman and Delegates of the Republican Convention for the Ninth District in convention assembled: Your Committee on Resolutions beg leave to report as follows:

Be it resolved by the Republicans of the Ninth Congressional District of Kentucky in convention assembled:

First. That the wise, firm, yet conservative, course of President Taft has been such as to

efford ample assurance and confidence in the "safe and sane administration" he is prepared and determined and is unquestionably giving to the country. The legislation he has engaged and secured shows an exalted and well-directed purpose to continue and enforce the principles of our party in the fulfillment of every pledge and in meeting every reasonable expectation.

Second. That we approve and commend the labors of Hon. W. O. Bradley in the United States Senate, recognizing that not only our State but the country at large can well rejoice in his able and efficient work.

Third. We approve and endorse the course and services of our Republican Representatives from Kentucky in the other branch of Congress.

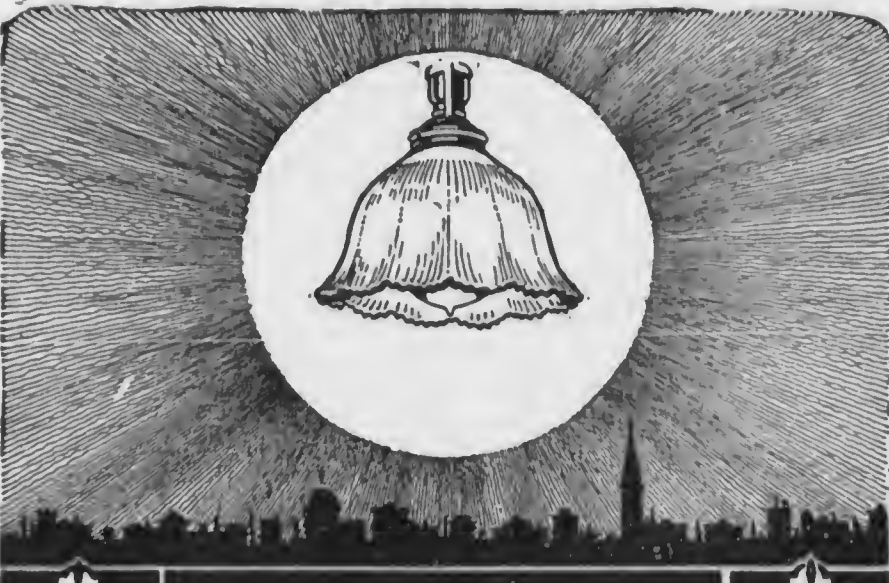

Fourth. We unqualifiedly endorse, approve and commend the course and services of Hon. J. B. Bennett, our Representative in Congress, particularly as to his untiring and successful efforts in securing appropriations for public improvements and substantial aid for the defenders of the country's flag in the time of war.

Fifth. For the coming election we earnestly invite the co-operation of every liberty-loving citizen to assist in continuing in power the Republican House by loyally supporting the nominee of this convention, that we may thereby take part in building up the bands of and in giving encouragement to an Administration of which we are justly proud.

### NOTES.

The Public Ledger office and Printery extended thanks to Colonel Horrocks and the splendid Ashland Band for a delightful serenade yesterday afternoon.

Following were among the prominent visitors present: Hon. Ben L. Bruner, Secretary of State, and Postmaster Barnes of Frankfort; Editor Wilson of Cynthiana and Postmaster Dickey and Orrie Lebus; John D. Littlejohn
